PETITIONING THE COURT

TO MODIFY THE CONDITIONS OF SUPERVISION AS FOLLOWS:

Not enter or reside in the Republic of Mexico without permission of the court or probation officer, and comply with both United States and Mexican immigration laws.

CAUSE

Mr. Musch recently requested permission to travel to Los Algodones, Mexico, for the purpose of obtaining dental care. Mr. Musch is required to register as a sex offender pursuant to California Penal Code § 290, as a result of his federal conviction for Distribution of Images of Minors Engaged in Sexually Explicit Conduct. He is currently participating in drug testing and sex offender treatment, as required. While he has been unable to obtain stable employment, he has had no other noncompliance issues. Therefore, the probation officer does not oppose his request to travel to Mexico. He was informed that if allowed to travel to Mexico, his travel privileges would be contingent upon his continued compliance with the conditions of his release. Furthermore, since Mr. Musch is a registered sex offender, he was informed of his responsibility to comply with registration requirements in the United States, as well as any requirements in Mexico pertaining to his prior convictions.

Therefore, in view of the aforementioned, it is respectfully recommended the conditions of Mr. Musch's supervised release be modified to allow travel to Mexico, as specified above.

Respectfully submitted:
